Academic Programme Overview		
Programme name: <b>MBA in International Healthcare Management (IHM)</b>		
Type: <b>Part-time</b>		
Short description: <p>The programme is designed for healthcare executives who want to acquire additional management qualifications and enhance their professional skills.</p> <p>The part-time modular structure of the programme is designed for professionals who continue to work in full time careers.</p> <p>Delivered in eight residential modules, one e-based module, plus an MBA thesis, the participants gain general management and leadership skills. The residential modules are delivered in a face to face format and are approximately one week in length. Three face-to-face modules are based at the Frankfurt School, with the remainder delivered at various international locations. The balance between on- and off-campus learning ensure minimal disruption to the professional life.</p>		
Start date: <b>October</b>	Programme length: <b>20 months</b>	Location: <b>Europe, Asia, Middle East, North America</b>
Tuition fees (national & international): <b>34,000 EUR</b> <b>This fee includes all learning materials but does not include travel and accommodation costs for the international modules.</b>	Instruction language: <b>English</b>	Programme webpage: <a href="http://www.fs.de/ihm">www.fs.de/ihm</a>

## Course Details

### Description:

- **Introduction to Business and Economics, and Healthcare Systems in Comparison**
- **Managing Financial Resources and Controlling**

### Course purpose:

**The MBA Programme in International Healthcare Management develops entrepreneurial healthcare managers equipped with advanced skills and expertise to master the challenges in a globalized healthcare sector. The programme members will identify best-practices, develop a broad understanding of intercultural issues and build an international network of professionals leading the debate in developing the global healthcare sector.**

### Course format:

**The MBA programme is a part-time programme based on a ten-module structure comprised of eight residential modules, one e-learning module plus the Master thesis module.**

### Assessment:

**Pre- or Post-Module Assignment**

**Teamwork/Presentation during the modules**

**Business Plan**

**Master Thesis**

## Entry Requirements

Requirements:

- **First university degree (Bachelor or equivalent)**
- **Excellent written and spoken English skills (TOEFL min 90 IBT, or equivalent)**
- **At least three years' work experience, preferably in the healthcare industry**

## How to Apply

Application procedure:

The first step in applying for our programme is the completion of our online application at: <https://applymba.frankfurt-school.de/IHM>

Supporting information:

The first step in applying for the MBA IHM is the completion of our online application, which includes uploading the following required documents:

- **First academic degree**
- **Excellent written and spoken English skills**
- **At least three years of professional experience**
- **Healthcare relevant background or interest**

Once we have received all the required documents, we will assess your application and if the first assessment is positive, we will then invite you for an interview (Skype interview for international applicants). A decision on your admission will only be made after this interview.

Application deadline: **31<sup>st</sup> July**

## Career Prospects

Prospects:

**40% of our programme alumni report career progression following completion of the programme. Our participants represent all segments of the health care value chain – the continuum of health care providers, supplier, med tech, pharma and more.**
